

Our Family Practice Agreements

Choose only what works for your family. These are conversation ideas, not official school rules.

☐ We ask before helping.

A welcome offer can be more useful than taking over.

☐ We make room for a pause.

Anyone can ask for a break or choose to stop.

☐ We take turns in a way we agree.

Different people may need different support.

☐ We can say: I am unsure.

Questions and uncertainty are welcome.

☐ We keep shared materials safe.
