Spot and Notice - Answers

Numbered locations show the five deliberate changes. Other scene elements are identical.

Pair 1

1. Lamp cord is present / absent.
2. Plant has three leaves / two leaves.
3. Book spine line is present / absent.
4. A star is present / absent.
5. Cup handle is on the right / left.

Pair 2

1. One / two cushions on the chair.
2. Shelf has three / four upright books.
3. Clock hands point to different positions.
4. Plant pot has one / two stripes.
5. Small wall frame is a circle / square.

Each pair has five feature changes, not five extra objects. Ask for help naming them if needed.
